
TRAVELER 1964

Alma Mater

On the Plains of Texas where the wind sings
loud her name
Gateway to a world resplendent, far and wide
her fame.
Where the cap-rock's firm foundation meets a
sky of blue,
Stands our Alma Mater, Wayland True.
Wayland for thy understanding love and
gracious care
For thy hopes, thy faith in youth, so kind and
deep and rare,
May we ever keep thy spirit strong, thy
courage bold,
Pioneering Wayland, hail the blue and gold.

EIGHTH PRESIDENT

"Education is the key," said Dr. Roy Cornelius McClung that warm October eighth morning in 1963, in response to his official inauguration as Wayland's eighth president.

The day began at the First Baptist Church with the inauguration itself, at which Dr. Abner C. McCall, president of Baylor University, introduced Dr. Kenneth S. Latourette, professor emeritus of Yale University who spoke on the "Challenge of a Christian College."

J. D. McPhaul, Lubbock, chairman of the Board of Trustees, presented Dr. McClung with a presidential medallion, signifying his new office. Dr. A. Hope Owen, president emeritus, presented Dr. McClung with an oak gavel made from a desk used by all seven previous presidents of Wayland.

Featured on the program was the combined choir composed of the Treble Tones and the International Choir. Dr. J. O. DeLage, Head of the Department of Fine Arts, directed the choir as they sang "Greater Love Hath No Man Than This."

Speaking at the luncheon in Slaughter Memorial Center was Dr. Herschel H. Hobbs, pastor of the First Baptist Church of Oklahoma City. His topic was "The Man and the Institution."

At the three o'clock reception in the Home Life Building, hundreds of students, guests, and other friends of the McClungs and of Wayland were greeted by Dr. and Mrs. McClung. This was a day of days in the lives of the McClungs, as well as a high point in the history of Wayland Baptist College.

Dr. Herschel Hobbs speaks to the guests at the luncheon in honor of Dr. McClung.

Dr. and Mrs. McClung were congratulated by friends at the afternoon reception.

Ferguson Hall girls present a skit for chapel on Slime Day.

One of the many scenes in girls' dormitories the night before Slime Day.

Best-dressed Slime awards were presented to Doug Self, Shirley Henderson, and Becky Thomason by Kay Johnson at the end of Chapel.

Freshman Initiation

At midnight September 27, 1963, "Slime Day" officially began on Wayland campus. Upperclassmen aided new students in the difficult metamorphosis from lowly Slimes to Freshmen. With the help of some "friendly" upperclassmen every Slime was dressed for the occasion, taught the "Alma Mater" and the "Slime Creed," and given an opportunity to display his talents in the traditional chapel program. A tug-of-war across a mudhole between upperclassmen and the aspiring freshmen brought "Slime Day" to an appropriate close.

The tug-of-war between Freshmen boys and upper classmen over the mud hole resulted in large laundries for several that day.

Lindsay Nunn Gymnasium, seen above, is the location of the Pioneers' practices.

This was an unusual season for the Pioneers. They won 10 and lost 16 in amassing their best win total since 1960-61 when they posted an 18-13 mark.

They started out on a losing note, dropping a 77-68 decision to St. Joseph's and a 103-81 battle with Southern Colorado, but bounced back to down Highlands, 86-81 and Texas Lutheran, 72-71. Two more losses, 74-57 to Sul Ross and 68-53 to Hardin-Simmons followed before the Pioneers bounced back to trim St. Michael's, 80-61.

Road games plagued the Wayland quintet all season and they lost their next four in a row away from home, bowing to Oklahoma Christian College, 75-57 and Southwest Missouri, 69-55, in a northern swing and losing to California Western, 54-49 and Whittier, 58-52, in the Holiday Festival at San

Coach Ozmun is seen here with this year's co-captains, Charlie Vandiver and Bill Davis.

Diego. Bill Davis returned in the third game, after turning his ankle in the first game, and Wayland ousted San Diego Navy 69-62.

The Pioneers made it two in a row on their return home with a 76-68 win over Oklahoma Christian College, but then took it on the chin from McMurry, 71-58; Abilene Christian, 85-53 and Sul Ross, 89-73.

With all five starters hitting in double figures, the Pioneers halted the losing streak with a 69-65 win over Austin College that evened their NAIA record at 1-1.

But the road jinx reared its ugly head again and Highlands bounced the Pioneers, 102-78 and St. Michael's took an 81-73 win in New Mexico. They returned home for more of the same, losing to ACC, 87-65, and then took another thumping at the hands of Midwestern, 94-59 at Wichita Falls.

The Midwestern loss seemed to wake them up, however, and the Pioneers finished in a blaze of glory. They plastered Eastern

New Mexico University, 92-79; avenged the Midwestern defeat with a 68-66 victory; edged ENMU again 74-70 and bounced McMurry, 71-69, for their fourth win in a row.

They could have clinched a district co-championship with a win over Austin College in their last game but came out on the short end of a 54-52 decision to close out the season.

To the surprise of exactly no one, big Lou Balenton was at the head of the scoring class for the Pioneers at the season's end. Lou, the 6-5 center from Conway, Arkansas, dunked in 446 points during the 26-game season for a 17.2 average. He had 171 field goals and 104 free throws for the total and hit a phenomenal 47.6 shooting percentage from the field.

B. B. Kendrick, 6-2 Idalou junior, provided Balenton with stiff competition throughout most of the season and wound up second in the team scoring race with 369 tallies and a 14.2 average. It was his long jumper with three seconds to play against McMurry that gave the Pioneers a 71-69 victory

and clinched a tie for second place in the northern half of NAIA District B.

Charlie Vandiver and Bill Davis, both 6-0 and co-captains of this year's quintet, each had a 10.5 scoring average at season's end. Vandiver canned the most points, 274, but played in one more game than Davis who totaled 262. Davis, a senior, wound up his career for the Pioneers.

Vandiver set a team record in the free throw percentage department. The junior from Hobbs, New Mexico, dropped in 58-68 charity tosses for an 85.3 average. Previous high shooting percentage was 82.6 set by Max Newman in the 1955-56 season.

Chuck Saul and Royce Harnsberger, who alternated much of the time in the fifth spot in the starting lineup, had 4.6 and 6.4 averages, respectively on 165 and 114 points.

Terry Bugher racked up 77 points, Andy Hubbard had 33, Wayne Holder 6 and Jim Price 4 to round out the scoring.

To add to a seemingly successful season the Pioneers' big center was named to the NAIA All-District team. Balenton, along with Pan American's Lucious Jackson and other great basketball players, was given this honor and showed throughout the season that he deserved it.

The Pioneers hope to improve their record next year and with the added strength and the old veterans back they are sure to accomplish what they set out to do.

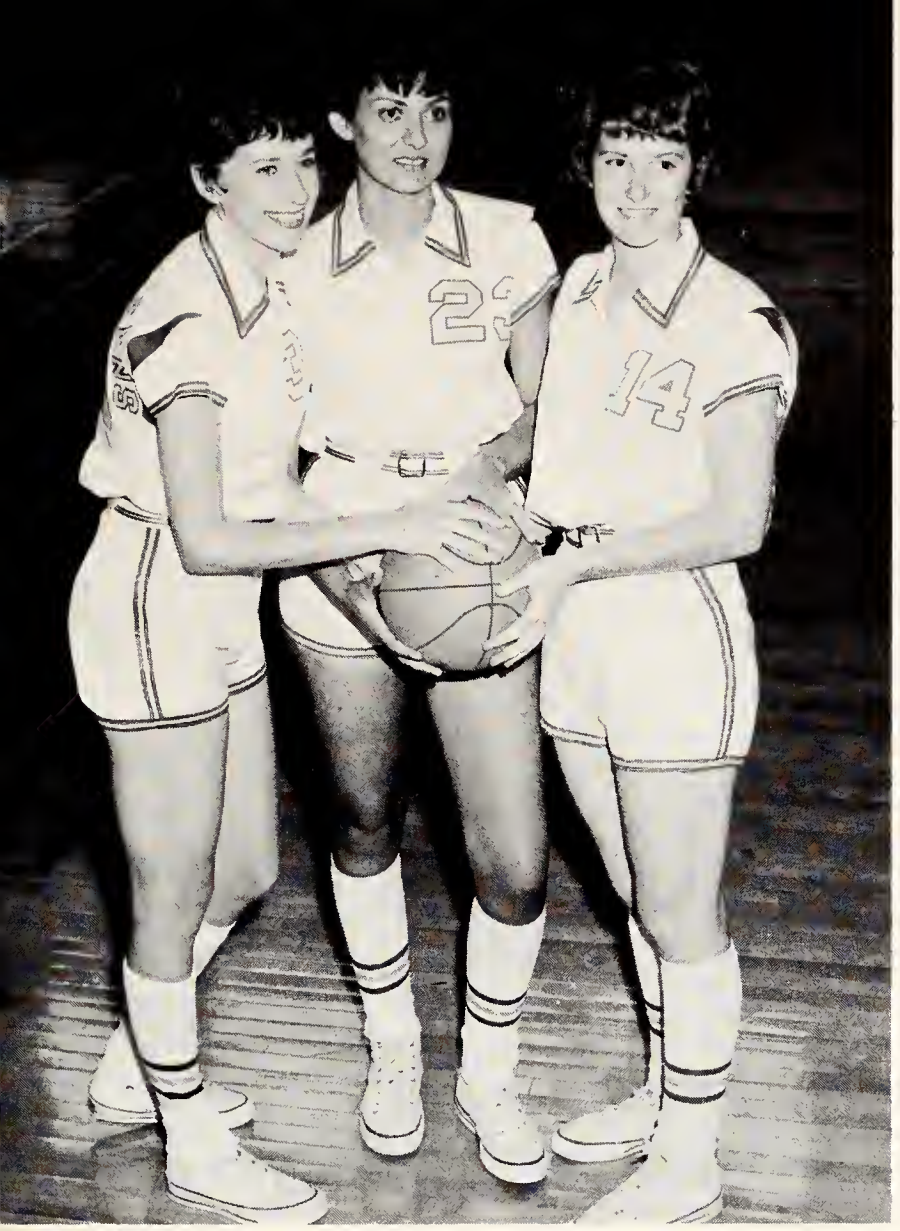
HUTCHERSON FLYING QUEENS

Seldom have athletic organizations been as fortunate in their sponsors as Wayland's Flying Queens in Mr. and Mrs. Claude Hutcherson who took over sponsorship in 1948 and who have made possible competition with teams across the United States and Mexico. Since the Hutchersons began their sponsorship of a small disorganized group of college women, Wayland's teams have become internationally famous, breaking all known records in women's basketball. Not limiting his interests to sports alone, Mr. Hutcherson has been named Man of the Year for his outstanding community service, including the presidency of the YMCA and directorship of Plainview's Chamber of Commerce. Successful as a farmer, rancher, and in other business endeavors, his Hutcherson Flying Service is now recognized as one of the top air services in the United States.



Seniors on this years' squad are Carol Cooke, Opal Bogard, Margie Hunt.

His 18 years as athletic director and basketball coach at Wayland have won for Harley J. Redin the reputation of being an avid student of basketball. Author of "The Queens Fly High," a history of the team and a textbook of women's basketball tactics, Redin as a member of the AAU Rules Committee has for years advocated the addition of the unlimited dribble to present rules to speed up the game. His teams are always strong in fundamentals and especially tough on defense. Before coaching the Flying Queens, he led the Wayland's men varsity team, the Pioneers, to 204 victories against 117 losses. Since he took over the Flying Queens, the women have won 205 and lost 16, giving him a combined total of 409 wins and 133 losses in 17 years of coaching. Redin also has coached the undefeated 1959 United States Pan-American Women's Basketball Team, the Flying Queens in three tough games against a visiting all-star team in 1960 and 1962, and the United States Women's Team in eight games behind the Iron Curtain and one in Sweden in the Spring of 1961.

Posting an impressive 19-4 slate and with all four losses coming to rugged Nashville, the Queens mowed down the majority of competition in taking the runner-up slot in National AAU play. They started their season by defeating the Utah Lakers twice, next Ransom's Boosters, Iowa Wesleyan, then the Houston Jets. After two defeats from Nashville, the Queens ran over the same teams again twice apiece. To wind up the year there were two defeats of Ouachita after the last NBC games.

Harley Redin's Flying Queens found the bridesmaid role to be unshakeable for the third straight year as they lost in the finals of the National Tournaments to perennial Nashville Business College, 58-46.

The loss at the tournament was partly compensated by the five Queens who were named to the United States Team which toured Lima, Peru, at the World Tournament. Harley Redin coached the U. S. entry.

Several highlights dotted the season. Several trips to play against the visiting Soviet National Team were made, and a late-season game against the Russians in Plainview on April 14th was an area television plus being viewed by more than 1600 fans.

Four Queens carried home All-American honors, and individual kudos presented at the annual athletic banquet went to Margie Hunt for the best free throw percentage, Opal Bogard, most valuable player, and Carol Cooke, highest academic record.

Redin summed up the season by saying the Queens gave a good account of themselves in every game, and he had no regrets about second place. With the replacements coming next year for the three graduating seniors, 1965 may be the year to regain the bride title!

TRACK

Riding the backs of Bill Hardage and Lou Balenton, the Wayland track team wound up their first season with the first Wayland Invitational Track Meet.

Eastern New Mexico turned in a solid team effort in both the field and running events to knock down first place in the first Wayland track meet on the Plainview High School cinders. ENMU piled up 84 points while Austin College and Wayland fought it out for second place. Austin nipped Wayland 38-36 in total points, but had to beat WBC in the last event—the mile relay to take home second place.

Some 1800 fans watched in near-perfect weather to closely-contested races in several events. Highlights of the meet were the 440, won by Wayland's Bill Hardage in the brilliant time of 48.5, and the broad jump also won by Hardage with a jump of 22-3.

Paul Shepherd practices his starts in preparation for the sprints.

SPRINT RELAY: (left to right) Robert Bradshaw, Paul Shepherd, Bill Hardage and Clarence Scott.

Austin did their best work in the sprints as expected, but Wayland showed surprisingly strong in several events and fought it out to the end for second place.

Richard Cheatham of Wayland paced himself beautifully to take the two-mile with an 11:22.9 run.

In the high jump Wayland's Lou Balenton grabbed first place with a 6-4 leap, but he went right down to the wire with Eastern's Joe Allen, as expected. Lou, the fourth best high jumper in the state of Texas, tried twice at 6-7, but missed. The footing in several events was poor.

It was the same old story in the field events for Wayland where they were forced to go virtually unrepresented in the point column. WBC had no entries in the pole vault and inexperienced men entered in the discus, javelin, and shotput.

Coach Vernon Hilliard was extremely pleased with Wayland's first effort at an invitational meet at home.

Mrs. J. O. DeLage, Mrs. Clifford Ozmun, and Miss Lorraine Lincke provide vocal entertainment for one of the meetings.

The dorm "moms" perform for one meeting during the fall. They are *L to R:* Mrs. Brown, Brotherhood; Mrs. Dwyer, Ferguson; Mrs. Sansing, McDonald; Mrs. Thomas, Fleming; Mrs. Lawrence, Owen; and Mrs. Patterson, Mays.

Officers for the 1964-65 school year are Mrs. Kenneth Theda, Mrs. Jerry Dawson, Mrs. Muerner Harvey, Mrs. James Wright.

One meeting of the club was in the form of a style show in which members modeled. *At left* is Mrs. Charles Bassett, wife of Wayland's Business Manager.

Dr. Beryl Hixson assisted Mrs. Dorothy Jamar in the installation of YWA officers in the fall. Here Marilyn Ferguson is being installed as 1963-64 president.

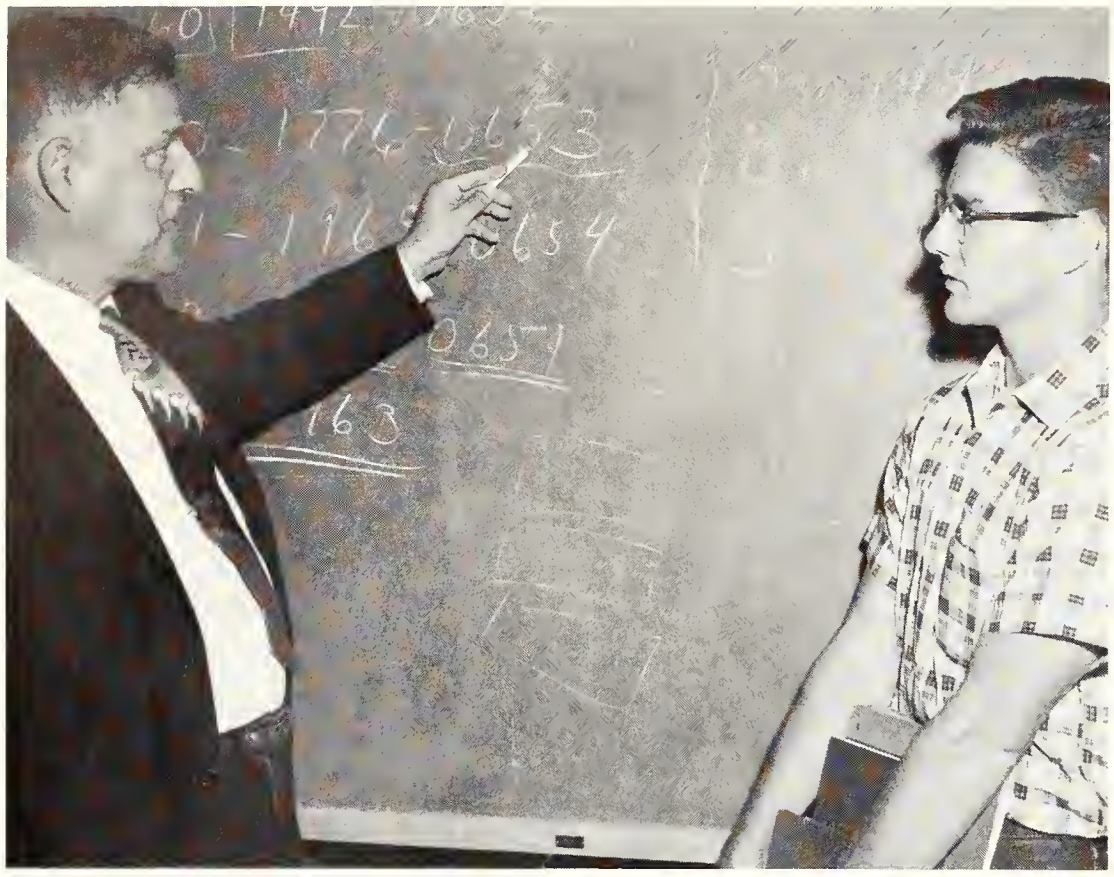
YWA Installation

Miss Maxine Marsh assisted in the spring installation. New officers were presented with a star symbolic of the YWA star ideals.

Ministerial Alliance Banquet

Dr. Cal Guy spoke at the annual Ministerial Alliance Banquet which was held at the Townhouse Restaurant. The King's Men provided musical entertainment.

CHAPEL



Professor Arthur F. Bernhart from Oklahoma State University explains math problems to Tim House after Chapel.

Dixie Huffman speaks with Ruth Ann Scott and Dean M. J. Sharp before Chapel about her Peace Corps training.

Rabbi Robert J. Schur speaks with Dr. Eugene W. Jones after Rabbi Schur spoke in Chapel.

Tommy Lyons looks on as Dr. W. F. Albright speaks to Dr. J. I. Bishop about archaeology and Bible.

PROGAMS

Dr. S. D. Neff speaks with Dr. R. G. Collmer on Shakespeare and his writings.

After Chapel the Miss Maid of Cotton shows some of the New improved cotton materials that are being made to Becky Thomason, Randall Scott, and Billy Fred Webb, students at Wayland.

Pictured above *(L to R)* are Mr. Charles Olgilvie, Dr. Eugene Jones, Dr. Vance Clapp, Dr. Fred Howard, Dr. Louis McGreggor, and Mr. Henry Ramey members of the Christian Maturity Council during a Chapel Program.

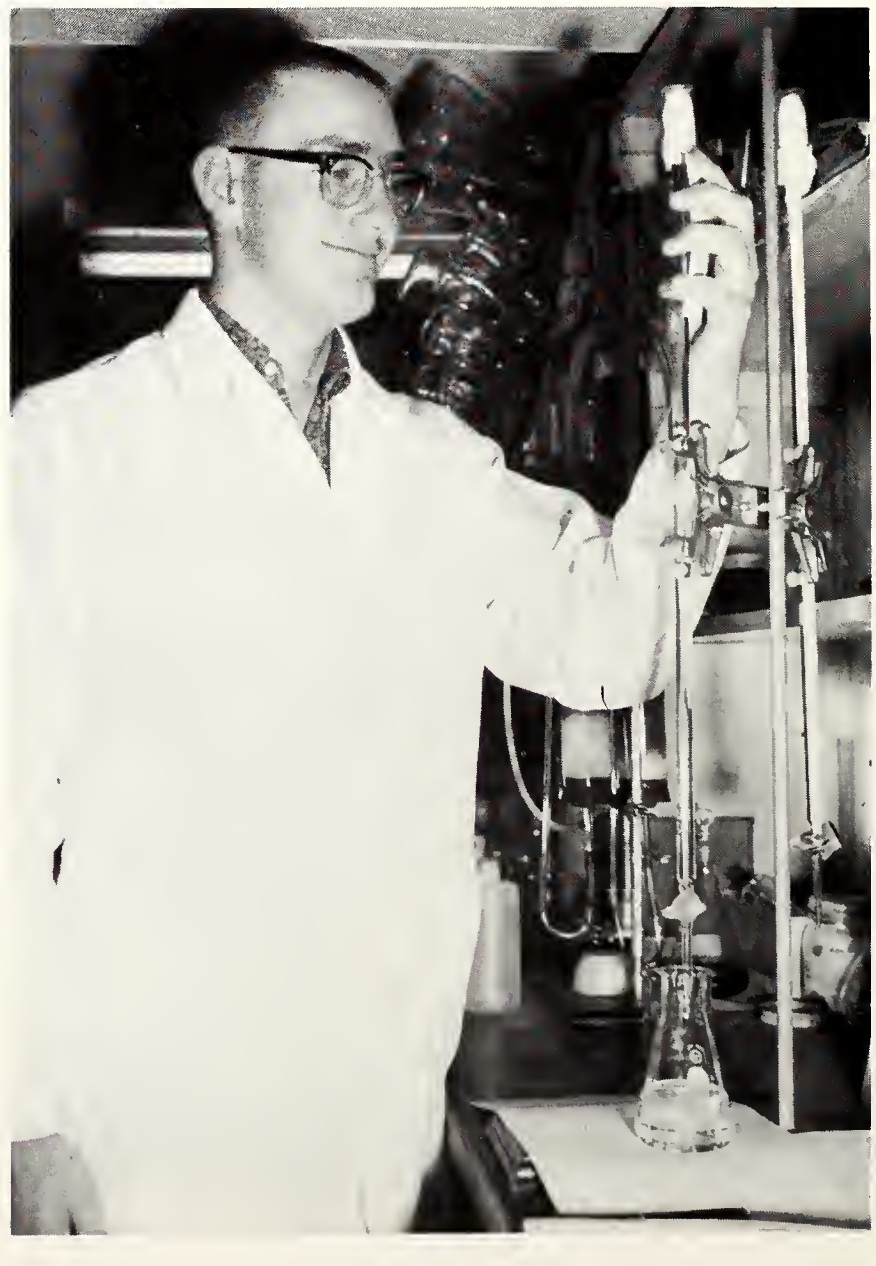
Pictured above *(L to R)* are Richard Cheatham, Rev. Pogue from Petersburg, Carol J. West, and Dr. Neil Record.

STUDENT AWARDS

Public Relations received several awards during the spring semester. Here Jim Love, editor of the Trailblazer, and Mrs. Dahlia Newton, assistant in Public Relations look over the awards.

L to R: Ora Marriot, recipient of the $200 Ailese Parten American Heritage Essay Contest; Glen Hunt, recipient of first place American Heritage Award; and Susi Leuckfeld, recipient of the second place Plains American Heritage Award. Each student read his essay in chapel.

Winners in the American Heritage Poster Contest are *L to R:* Helen Shields, Don Brashear, and Clyde Thompson.



Fred Northam was recipient of a Castech Chemistry Award during the spring semester.

COLLEGE LIFE

You think California has parking problems! . . .

Campus folksingers, "The Ramblers," became one of the surprise successes of the year, appearing before many types of audiences and being featured at the District Lions Convention and at political rallies in the area. In the group are: (seated L to R) Doug Self, Sande Dement, Donna Sue Sigman, Rebecca Cheatheam, Bud Brock; (standing) Ione Browder and Bob Strait.

I lost my chamois.

Anybody see Little Bo Peep?

ODDS

Being twins may mean twice as much fun. Seated are Ronald and Donald Plumlee, seniors, and standing are Mary and Gary Gilbert, freshmen.

Billy Bob Johnson presented a new microphone for the auditorium during the October 25th chapel. Dr. McClung accepted the microphone.

The new Craig Reading Machine made possible a course for improving reading and increasing reading speed. Dean Sharp is shown instructing one of the students in the use of the machine.

AND

Russell Hughes looks happy over the first sale of the new International Choir record. Dr. McClung, left, made the purchase. At the right is Mr. Vessels, choir director.

Mr. and Mrs. Douglas Clark display some of their souvenirs of a summer of teaching in Nova Scotia.

. . . and time stood still for a moment as male members of Wayland's faculty and members of the Plainview Lion's Club tusseled for the ball.

The Faculty-Lion's Club game brought quite a turn-out of observers as well as some unusual uniforms for the players.

Faculty and students fought it out over the volley ball net. It gave both sides a chance to release tension caused by the opposing team.

ENDS

Susan Hardage presents a rose to Senior Beth McDougal.

Senior women place the blue and gold chain on the shoulders of their junior friends.

SENIOR FAREWELL

The Senior Farewell is an annual event sponsored by the Women's Council. At this ceremony the senior women pass the school colors and the responsibilities they entail to the junior women. The junior women in turn present a rose to each senior woman as a token of friendship and goodbye. The International Choir and the Treble Tones sang for the ceremony which was held on Thursday, May 28th in front of Gates Hall.

Raye Igo walks to take her place on the steps after Linda Baten has given her the rose.

The junior women line the steps proudly wearing their blue and gold and looking forward to next year when they will step into the places vacated by graduating seniors.

Senior Gift

The Senior Class presented a clock for the first floor of Gates Hall. It was chosen in keeping with the remodeling which began just before the close of school. Class president Ronald Plumlee presented the gift to Dr. McClung who accepted the gift for the school.

Timothy Award

The Timothy Award is an annual award made possible by President Emeritus and Mrs. Owen. The student receiving the award is a ministerial student of high academic standing, one who exemplifies the Wayland spirit, and one who shows leadership and a true zest for church-related work. Howard Jones was the recipient for the 1963-64 school year.

These seniors look out from the pillars of Gates Hall on the eve of the graduation to a new world into which they will soon step.

President's Reception

President and Mrs. McClung greeted many guests at the reception on May 29th. All seniors, their families, and friends were invited to the reception where faculty members and trustees were in the receiving line.

Mrs. Robert G. Collmer assisted at the serving table for the reception.

Though seldom recognized, the women who help in the kitchen are indispensable. Here are Miss Joyce Dewbre, Mrs. Janet Ozmun, and Mrs. Janice Ramey.

Gold Keys Dinner

The Gold Keys Dinner is an annual affair sponsored by the Association of Former Students. All seniors and their dates are invited to attend this last dinner of the year. At this time seniors formally become Former Students and members of the Association.

Dr. McClung looks happy, but who wouldn't with these three lovely girls singing "Kiss me once, kiss me twice, and kiss me once again." The Treble Tone Trio dedicated the song to Dr. McClung at the banquet where they provided musical entertainment.

Members of the senior class were given membership in the Association of Former students at the banquet and were presented a certificate of membership and a gold key symbolic of the world resplendent which lies ahead of them.

Rev. Gerald B. Seright, a Wayland graduate who is now a missionary to Brazil, spoke at the banquet and was awarded a Certificate of Achievement by Dr. McClung.

COMMENCEMENT

Dignitaries gathered before the processional. *L to R:* Rev. Floyd Bradley, Baccalaureate speaker; Preston Johnston who gave the benediction; Dr. Tim Trammell who led the invocation; Dr. James P. Cornette, Commencement speaker; and President Roy C. McClung.

The faculty was included in the excitement as they tried to adjust robes, hoods and tassels before leading the processional.

One would almost think someone had told these seniors they couldn't graduate from the looks on their faces as they wait in the basement for the line to move.

Alma Mater

On the Plains of Texas where the wind sings
loud her name
Gateway to a world resplendent, far and wide
her fame.
Where the cap-rock's firm foundation meets a
sky of blue,
Stands our Alma Mater, Wayland True.
Wayland for thy understanding love and
gracious care
For thy hopes, thy faith in youth, so kind and
deep and rare,
May we ever keep thy spirit strong, thy
courage bold,
Pioneering Wayland, hail the blue and gold.
